

Creating an account for the AppCenter:

1. Navigate to <http://www.cloudsme-apps.cloudbroker.com/> (Fig.1)

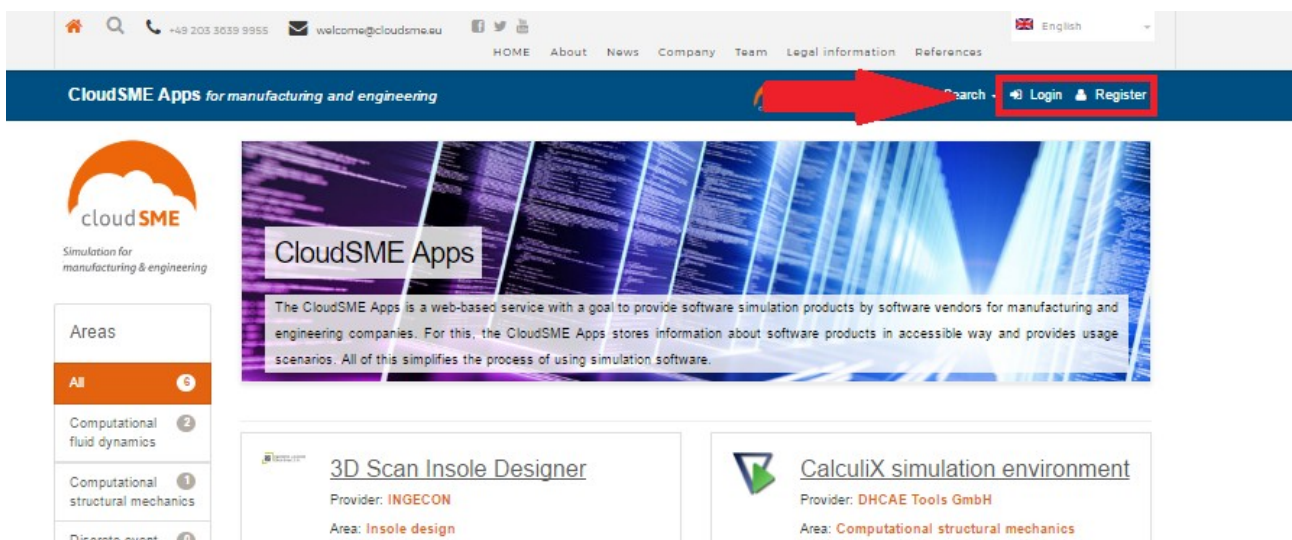

(Fig. 1: Platform URL)

2. There is a Button called „App Center“ (Fig.2) on the upper edge of the Website. By hovering over it, a drop-down menu appears. In the drop-down-menu choose „Production AppCenter“.

(Fig. 2: Location of the AppCenter button)

3. Once you have clicked on „Production AppCenter“, you will be redirected to the actual „Production AppCenter“. There is a blue bar in the headline, which contains a login and a register option (Fig.3).

(Fig. 3: Location of the register button)

4. By clicking on the register-option, a new site with a registration-form opens.

5. You have to provide some personal information in the registration-form to make yourself a new account. Your salutation, your first and last name, the name of your organization, your e-mail-address and finally your password. You also have to fill out a captcha to proof that you are human and agree to our terms of service (Fig. 4).

Register

Please, fill in information about yourself. Organization is optional, but recommended.

Register

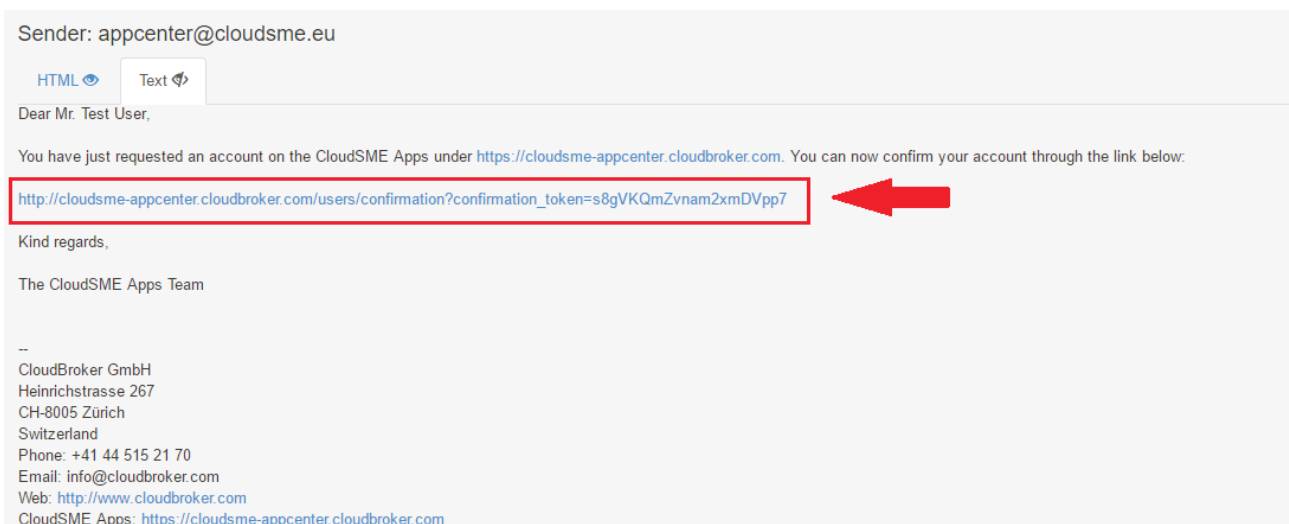

(Fig. 4: The registration form)

6. Once you clicked the „register“-button, the website will send you a confirmation-message (Fig. 5) to your stated e-mail-address.

(Fig. 5: Confirmation message)

7. You will find a link inside of the received e-mail (Fig. 6). If your mail-hoster does‘nt support a direct call of the URL, just copy and paste the URL in the adress-bar of your Web browser and visit it.

(Fig. 6: Confirmation URL)

8. The Website will confirm your registration with a green box on the website.
